

DEAR SOMERBOSCH FRIENDS

We are delighted with our summer season as January has been another great month on the farm. With harvest just around the corner we are looking forward to another exciting month.

We, at Somersbosch Wines, are very excited about a new wine tasting experience we are offering our guests. Together with the chefs from our Bistro, we make ice creams from 4 different red wines, i.e. Merlot, Shiraz, Cabernet and Pinotage - all from the Somersbosch range. For R40 the public can now taste each of these 4 wines with the corresponding ice creams.

The Bistro offers a delicious selection of breakfast & lunches and caters for functions and small weddings. The affordable ranges of wine are innovative & varied - appealing to a wide range of palates.

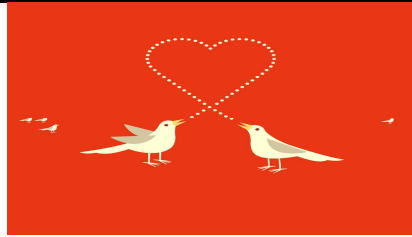

Don't forget to try the Methode Cap Classique and MCC Rose at R85 a bottle on your next visit to the farm!

VALENTINE'S PROMOTION IN TASTING ROOM

We are running a special Valentine's promotion on the MCC for the month of February only! Buy 6 bottles of MCC or MCC Rose and receive 2 bottles of Somersbosch Sauvignon Blanc for free!
